

Scotgrip® HD Anti-Slip Safety Products

Scotgrip (UK) Limited are manufacturers of high quality, heavy duty anti-slip safety products which improve safety on stairways, walkways, decks, ladders, ramps, gangways and pipes. The Scotgrip® brands are well established as the leading force in heavy duty, anti-slip safety products in industries including oil & gas, marine, energy, construction, transport, paper and food & drink.

In the workplace, 'Slips and Trips' make up one of the highest accident statistics. Scotgrip® HD anti-slip safety products are designed to eliminate these accidents even in the harshest working environments and we have found that this reflects positively on personnel performance in the workplace and on productivity in general.

Scotgrip® HD anti-slip safety products incorporate the unique Scotgrip® high-traction, anti-slip safety surface which gives a sound foot holding in the most extreme conditions. These heavy duty, tough and durable products are manufactured under BS EN ISO 9001:2015 quality controlled conditions comprising of a reinforced composite base and a graded aggregate surface. As a Scotgrip® quality standard, these products are fire rated, spark and friction tested.

- Eliminates 'Slips and Trips'
- Cost effective/Easy to fit
- High traction anti-slip safety products
- Tough and durable
- Standard sizes and custom made
- Fully guaranteed
- Fire rated, spark and friction tested
- Non corrosive

STANDARD SIZES OR TO CUSTOMER SPECIFICATION

Scotgrip® HD safety products are manufactured in a wide range of standard sizes. We regularly manufacture custom sizes to suit individual locations. Please send a sketch or photo and we will get back to you with details.

SAFETY MESSAGES/INFORMATION

Scotgrip® SignAlert® can be added to any of our anti-slip safety products. Safety messages are proven to be an effective method of warning personnel of any hazards or hazardous areas they may be exposed to. Safety messages can be of any description and can even incorporate the clients company logo.

EASE OF INSTALLATION

Scotgrip® HD safety products are designed for quick and secure fitting, either by mechanical fixings or bonding to existing surfaces. These products are pre-drilled where required for quick installation. Scotgrip® HD products are non load bearing and must have a suitable underlying structure to be secured to. We recommend our own fastening systems and adhesives for securing Scotgrip® HD anti-slip safety products.

QUALITY – IT'S WHAT DRIVES US

All Scotgrip® HD safety products are manufactured under BS EN ISO 9001:2015 quality controlled conditions using highly compatible raw materials at our premises in Banchory, UK.
