

DECK PROTECTION

Scotgrip® HD Deckmate® Cargo Landing Mats

Scotgrip® HD Deckmate® Cargo Landing mats are heavy duty, high traction, anti-slip polyurethane rubber mats designed to give deck protection from heavy loads. The mats are easily positioned as designated load landing areas. We manufacture 4 standard mat sizes or can be custom made for individual locations.

The unique Scotgrip® anti-slip safety surface is fully integrated with our substrate and is designed to give a long and effective working life. These mats have a standard thickness of 20mm (approx. ¾") and can be multi-coloured with safety messaging borders (Scotgrip® SignAlert®) and diagonals. (The thickness can be increased if required).

These tough, durable and resilient Scotgrip® HD products provide excellent protection to the deck and are manufactured under BS EN ISO 9001:2015 quality controlled conditions.

- Tough, durable and resilient
- Protects Deck areas
- Manufactured to any shape, size or colour
- Chemical resistant
- Chamfered edges
- Non corrosive
- Highly visible
- Reflects positively on personnel performance

Step into a safer environment with Scotgrip®

(or to customer preference)**

Key Product Specifications

Tensile Strength:	26 MPa	
Tear Strength:	85kN/m	
Hardness:	95 Shore A rating	
Weight:	20kg/m ²	4.1lb/ft ²

HIGH-TRACTION ANTI-SLIP

The unique Scotgrip® HD anti-slip safety surface is fully integrated with the substrate of the Scotgrip® HD Deckmate® Cargo Landing Mats & will provide a sound foot holding even in the most extreme conditions.

HIGHLY VISIBLE

Standard colours are yellow with a red border. Other colours are available – please ask.

HEAVY DUTY

Scotgrip® HD Deckmate® Cargo Landing Mats are extremely durable and will remain highly effective for many years.

STANDARD SIZES OR TO CUSTOMER SPECIFICATION

Custom sizes are also available if required, please send a sketch with dimensions and we will get back to you with details.

SAFETY MESSAGES/INFORMATION

Any safety message can be incorporated on to the Cargo Landing Mats (see table opposite for standard messages available). We can also offer photo luminescent messages, (glow in the dark).

EASE OF INSTALLATION

Scotgrip® HD Deckmate® Cargo Landing Mats are designed for quick and secure fitting. They can be simply placed on top of the existing surface and are connected together with dovetail design. Scotgrip® HD products are non-load bearing and must have a suitable underlying structure to be secured to.

QUALITY – IT'S WHAT DRIVES US

All Scotgrip® HD Deckmate® Cargo Landing Mats are manufactured under BS EN ISO 9001:2015 quality controlled conditions using highly compatible raw materials at our premises in Banchory, UK.
