

## WALKWAY & DECK SAFETY

### Scotgrip® HD Anti-Slip Deck Tile

Scotgrip® HD anti-slip Deck Tiles incorporate the unique Scotgrip® high-traction anti-slip safety surface which gives a sound foot-holding in the most extreme conditions. These heavy duty, tough and durable products are manufactured under BS EN ISO 9001:2015 quality controlled conditions comprising of a reinforced composite base and a graded aggregate surface. As a Scotgrip® quality standard, these products are fire rated, spark and friction tested.

Walkways/decks/flooring can be made from various materials including the following: flat steel, aluminium, concrete or wood. Most of these materials are quite acceptable when dry but can become extremely dangerous when wet, soiled or painted. By installing Scotgrip® HD Deck tiles not only is this slip hazard eliminated but the lifespan of the underlying material is greatly increased. These heavy duty products are secured by either mechanical fixings or bonded to existing surfaces.

- Eliminates 'Slips and Trips'
- Cost effective
- High traction anti-slip safety products
- Tough and durable
- Standard sizes and custom made
- Fully guaranteed
- Fire rated, spark and friction tested
- Non corrosive
- Easy to fit over existing walkways/decks
- Reflects positively on personnel performance

*Step into a safer environment with Scotgrip®*

**HEAVY DUTY**

Scotgrip® HD Deck Tiles are extremely durable and will remain highly effective for many years.

**STANDARD SIZES OR TO CUSTOMER SPECIFICATION**

Scotgrip® HD Deck Tiles are manufactured in a wide range of standard sizes (see table opposite). We regularly manufacture custom sizes to suit individual locations.

**SAFETY MESSAGES/INFORMATION**

Scotgrip® SignAlert® can be added to any of our walkway/deck range of products. Safety messages are proven to be an effective method of warning personnel of any hazards or hazardous areas they may be exposed to. Safety messages can be of any description and can even incorporate the clients company logo.

**EASE OF INSTALLATION**

Scotgrip® HD Deck Tiles are designed for quick and secure fitting either by mechanical fixings or bonding to existing surfaces. These products are pre-drilled where required for quick installation. Scotgrip® products are non-load bearing and must have a suitable underlying structure to be secured to.

**QUALITY – IT'S WHAT DRIVES US**

All Scotgrip® HD safety products are manufactured under BS EN ISO 9001:2015 quality controlled conditions using highly compatible raw materials at our premises in Banchory, UK.
