

DECK PROTECTION

Scotgrip® HD Deckmate® Dunnage Mats

Scotgrip® HD Deckmate® Dunnage mats are heavy duty polyurethane rubber mats used to protect decks from heavy loads. Tough and resilient to match the offshore environment, Scotgrip® HD Deckmate® Dunnage mats provide excellent protection to the deck, are chemical resistant and are designed to give a long lifespan. These mats are manufactured in standard or lightweight versions – both mat types are supplied in various sizes, thicknesses and colours.

These tough, durable and resilient Scotgrip® HD products provide excellent protection to the deck and are manufactured under BS EN ISO 9001:2015 quality controlled conditions.
