Scotgrip® HD Walkmate® Polyurethane Mats

Scotgrip® HD Walkmate® is a heavy duty, high-traction polyurethane rubber matting for use on walkways/decks. Scotgrip® HD Walkmate® mats incorporate the unique Scotgrip® HD anti-slip safety surface which is fully integrated with our substrate gives a sound foot-holding in the most extreme conditions and is designed to give a long and effective working life. These heavy duty, tough and durable products are manufactured under BS EN ISO 9001:2015 quality controlled conditions.

Scotgrip® HD Walkmate® mats can be manufactured to virtually any size or shape required and have a standard thickness of 15mm (approx. 9/16"). By installing Scotgrip® HD Walkmate® mats, slip hazards are eliminated and the lifespan of the underlying walkway/deck is greatly increased. Scotgrip® HD Walkmate® mats can be simply connected with dovetail design or straight edges.
